

Sri Chandramauleeswaraya Namaha:

Sri Gurubyo Namaha:

**Sruthi Smruti Purananam Alayam Karunalayam
Namami Bhagavath Padha Sankaram Loka Sankaram**

**This is a special notification for the devotees especially from
North Arcot District of Tamil Nadu.**

The Name Arcot is derived from Aaru Kadu, that is Shataaranyam. The 'sages' erected Temples for their Daily Anushtanam, Religious poojas in the six Holy places _ Shataaranyam.

The North Arcot District is very holy and famous one. The prominence of this District _ Emperor Dasharatha performed Putrakamesti yaga and was blessed with progeny. Padavedu, the Parasurama Kshetram, Adayapalam, the Birth Place of Mahan Appiah Dikshidar, Ramana Maharishi's Ashram, Many Ashrams of Sidhars and other famous religious leaders are here.

It is our utmost and earnest duty to preserve the knowledge and practices of our Ancestors their places, temples, Agraharams, our forefathers' history and their Anushtanam etc to be passed on to our younger generation.

We should make it a practice to visit our ancestors' villages by those who live in India or Abroad, atleast once in a year and get familiarized with Agriculture, Goshala, Temples, Forefather's houses, Schools and other places and offer our physical & financial help, to the extent possible to help in up keep of these for our future generations. We need to make all arrangements for these activities. Every family can make their youngsters gain knowledge about their forefathers, their vedam, Gothrams and their prominence etc. Also, we should preserve the old vessels, houses, photo copies of our forefathers and our samprathayam should be practised.

For these purposes, with the Blessings and Anugraham of Sri Sri Sri Kamakoti Periyaval, all arrangements are made in the village "VALLUR" in Polur Taluk of Tiruvannamalai District. There will be Anushtanakendra Yatri Niwas, Goshala, Museum, exhibitions etc.

Devotees can offer their help in developing and maintaining these establishments by offering suggestions, entire particulars of their ancestor names, villages, relevant photos, their old unutilized vessels, viz. Gangalam, Lead vessels, Bogini, Anda, Brass, Tambalam, Joduthavalai, Uruli, gundan etc., These vessels will be used and preserved in good condition.

The 'Yatri Niwas' will offer free accommodation. However Donations are welcome. Yatrees can stay here and visit the temples, villages, river, historical places surrounding "Vallur". Let us all co-operate to the full extent and make these arrangements / establishments at "Vallur a grand success"

Everything is possible by successful prayer to Guru & God before initiating any work.

doings and preserve the records. Everything is possible and successful when we strive hard with good planning and execution of the same with Guru's grace. **To emphasis this, let us share a recent incident that took place.** It is customary and samprathayam to make a Vijaya Yatra by Sri Sri Sri Periyaval at the conclusion of Chathurmasya Vradham. This year Sri Periyaval made Vijaya Yatra to a Village, Adayapalam Near Arani after consulting important personalities. Adayapalam is a kshetram and the birth place of Mahan Appiah Dikshidar who lived 500 years ago. Though the facilities are very meager at Adayapalam, Sri Sri Periyaval performed SRI MAHA TRIPURASUNDARI AMBAL SAMEDHA SRI CHANDRAMAULEESVARAR pooja for Ten days with Bhajans, Upanyasam, Suhasini Pooja, Annadhanam etc in a grand manner.

We witnessed an unusual incident rather a miracle that took place at Adayapalam. The villagers, cattle, paddy fields were deprived of Rain for a quite a long time. On 28.9.2015 Monday Evening at 5.00 p.m it started raining heavily and continued till 8.30 p.m just before the arrival of Sri Sri Periyaval with his Parivar. This rain water filled the Kalakhandeswarar Temple Tank, lake etc to the surprise and entire satisfaction of the villagers. This happened by the Grace of God. Ten days poojas were performed superably with the whole hearted co operation by the villagers and visiting Devotees.
